Fact Most of the address changes come from returned mail. Please remember to inform me of your impending move, that way you will continue to receive all the exciting news hot off the press! Take a moment to check the address label on this I.S. and let me know if it's not correct.

The Buddy System Know someone in your fellowship - or otherwise - who should be receiving Franciscan mailings, but isn't? Drop me a note.

Mandates Been recently Professed or Noviced? Did you send a signed copy of the mandate to the Provincial Secretary? This is the way your record and the Directory are updated. If you can't remember if you sent one, send another (just to be on the safe side). Please use my home address - 2220 E. Victory Drive, No. 24, Savannah, GA 31404.

Election Ruth Duncan has accepted election to Chapter. Ruth will be filling the seat vacated by Paul Saunders.

Oops! I hope none of you were too disappointed when you received the slender booklet containing the Provincial Statutes in lieu of a small replica of our illustrious leader - i.e., the "Provincial Statue", as typed in the March I.S. If you have not received your copy of the Statutes (along with the revised Order for Admission), please let me know.

New Missions John Hodgins writes that he has charge of two new missions in the San Marcos Parish, Limon, Costa Rica - San Jose Obiero and San Francisco de Asis (named after the mission committee learnt that John is a Tertiary). This latter mission is located in the newest barrio of Limon. He reports that there are about 70,000 people living in the port city, many of them Anglicans of Afro-Caribbean descent. San Francisco has land but no building yet. Funds are being raised by selling blocks for about \$5 (US) . If anyone would like to support this mission, donations, made out to "San Marcos", may be sent to John's attention at his address listed in the Directory Update.

"The Franciscan" If you would like to receive this international SSF magazine (mailed thrice annually from U.K.), please send subscription of \$7.25 (surface) or \$9.50 (airmail) to Helen Webb.

The ~~Provincial~~ Provincial Returns from her recent trip to Trinidad, Tobago and Venezuela (along with Chaplain Webner). Dee reports that Gloria Waldron has been appointed the Assistant Formation Director for Trinidad & Tobago.

Africa Newsletter Excerpts The Dean of Kimberly believes our busy-ness is "probably the devil trying to bluff us into believing we are doing God's work, when really we are exhausting ourselves and avoiding that essential call, which is to deepen our spirituality".

In the 1990 APTOC Papers 2 & 3, members of the African Province are asked to ponder and pray over several issues, including province organization, the roles of officers, and simplicity of lifestyle ("Are we being asked to radically change our lifestyle or only our attitude to possessions? How does this affect those with whom we live?"). In contemplating their constitution, members were urged by Br. Geoffrey to keep the rules simple and not too rigid (the only things rigid being dead!).

The Directory It was decided at the 1989 Chapter not to reprint the Directory until fall 1990 (to avoid the Tertiary Trek of the summer). However, I think the current frontpieces could use a little updating. You received a corrected Area Chaplains' list last month, and here follows the Corporation and Chapter update, along with some "handy addresses". Please paste in the appropriate place in your Directory.
