whoops! (a word which is now permanently added to my spell check!) - some, indeed most, of the Canada postal codes did not print in the new directory. Please check your old one (I know you didn't throw it away) for the codes.

thank you to all who sent money to Carole Watson for the directory. It really helps pay the bills.

fraternidad ecumenica franciscana is now sending us their monthly newsletter from Seville, Spain (translation courtesy of the Catrons). Br. Pablo is hungry for any contact with other Franciscans (his written English is excellent). His address - P.O.B. 387, 41002 - Sevilla, Espana. The F.E.F. was admitted as an institution of the Third Order on January 15, 1991 by Bishop Arturo Sanchez Galan. There were 19 people at the first meeting. Daily meals are provided for the needy at Br. Pablo's house. He says everyone is welcome in God's (& Allah's) name. The newsletter also reports that the Bible Society of Iran has had its archives confiscated by the Office of Religious Minorities, which has jailed some of the local personnel and announced the dissolution of the Society.

O.E.F. held their eighth Chapter 24-26 May in Louisville, KY. Retreat leader - Murray Bodo, TSSF representative - Chaplain Marie Webner. The Order of Ecumenical Franciscans continues to grow.

ordained to the priesthood - Valentino Mokiwa, a tertiary from Africa, studying at Virginia Seminary, was ordained on 12 May. Congratulations and God's blessings!

richard rohr ofm will be conducting a conference on spirituality at Kanuga (North Carolina) June 16-21. The cost is \$385 - scholarships are available from Kanuga. For more information call Rainee Townsend at (704) 692-9136.

new editor for the *Franciscan Times* is Rik Fitch. Any material for the Times should be sent to him at RR 2, Box 212, Kula, Maui, HI 96790.

news from down ↓ under tells us that

- * Sue Chapman has returned to Australia after her sojourn in Canada. New address - 38 Bellett Street, Camberwell, Australia 3124. In her recent letter she spoke of a dinner she gave for supporters of women's ordination and Archbishop Carey when he was visiting Camberwell as Bishop-elect of Bath & Wells. She notes that he was very supportive (as is the new Primate of Australia).
- * Margaret Butters retired as Provincial Minister; **Stephen Williams**, Asst. MP was elected by Chapter at its March '91 meeting to fill the position until an election can be held.
- * there is an **open invitation** from Tessa Wooldridge (Canberra) to any visiting tertiary to get together. Address is 124 Tillyard Drive, Flynn ACT 2615, Australia.

convocations: South Central had over 30 attend their April meeting (5 made life professions, 1 was noviced). Western - 16-18 August, Retreat Ctr, Danville CA (contact: Linda Bell)

fellowship meetings: New Umbrian - 6/8, 7/13; Minnesota - 7/2, 8/6, 9/3, 10/5

intercessions: General Convention (July 11-21); Dee & Bill Dobson; European Province General Chapter (July 5-7); South Africa. *[Please send me any intercession requests you would like circulated via the I.S.]*

area formation directors - please remember to send me notice of new postulants as soon as possible. In this way our new brothers and sisters will receive mailings etc. right away and can feel "connected".

 A new approach. Still only a small % notify me of address changes, which means that instead of receiving these illuminating jottings (or muddled meanderings) they are returned to sender. So...this time I have omitted the "Address Correction Requested" in the hope that the post office will forward this missive. Which means if **your Information Sheet has a yellow sticker on it with a different address than on the white label, you need to let me know your new address. NO! WAIT!** Go and get a ☎ or ✉ and ✍ to me right now. Or use the ☎ (to call me, not write with). Don't procrastinate, do it now! Thank you ♥.
