

Subject: Scholarships for the 2017 Provincial Convocation, Cincinnati, OH June 20-25

Attention: Members of the Third Order, Province of the Americas, in need of financial assistance

Dear TSSF Friend,

The Planning Team recognizes that a need exists to make the Provincial Convocation accessible to as many tertiaries, professed and in-formation, as possible. Scholarship monies are available for registration, lodging and meals. The goal is that no tertiary be turned away for lack of adequate finances, however financial assistance for travel is not available.

In order to distribute these monies as efficiently and fairly as possible, it is necessary to understand and know the need well in advance.

If you anticipate needing financial assistance, please complete and mail the enclosed scholarship application to:
