The 1988-89 Directory should have reached you by now. No matter how many times I look it over somethings seem to sneak by me. Dee Dobson is listed as Guardian and that should be Minister Provincial.

<p>The list of Area Chaplains is very outdated. Please staple the attached list to your 1989-90 directory.</p>

News

The Maine fellowship would welcome visiting TSSFers this summer with a fellowship gathering. If you are going to be in Maine please get in touch with Henry Bird.

Terry Rogers says that the second edition of Pax et Bonum will be issued when more material comes in. The editors are looking for essays, poetry, short stories, meditations, personal reflections etc. on topics that relate in some way to our Franciscan vocation. So please let us hear from you writers out there!

News from Guyana

I received a letter from Fr. Allan Buik at the Alan Knight Training Center with new addresses for our brothers and sisters in Guyana (see address changes). News from Guyana is very, very scarce and it was wonderful to hear from him.
