Epiphany-tide 1981 (This *Franciscan Times* magazine was the fanciest edition of the *Times* ever printed. It had a color cover, more pages than previous issues, and was renumbered as Vol 1, No. 1. Perhaps as a reaction to the costs of this issue which exhausted the whole year's printing budget, Chapter discontinued the publication of the *Franciscan Times* magazine or newsletter as

of November 1981 with only the
Information Sheet continuing.)
