2021 Forming Franciscan Families

Virtual Gatherings

Fellowship and Formation Gatherings

These hour-long Zoom meetups include interactive activities, prayers, and more to celebrate our Franciscan way of life in the context of community. Although the gatherings are intergenerational in scope, each meet up is geared for kids of all ages – effort is made to tailor the content to the age groups represented at a given gathering. A description of the themes and topics of each gathering will be sent via email and posted in the TSSF Facebook Group. Log-in information will be distributed through various TSSF publications.

Unlike the Fellowship and Formation Gatherings (see above), this gathering is geared for the adults in your family. Log-in information will be distributed through various TSSF publications.

This year's theme "One Body, Many Members" will encourage us to build community and is based on this passage of scripture.

"For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another." Romans 12:4-5
