

2:00-5:30PM EDT

To mark the beginning of the Season of Creation, this virtual pilgrimage will offer members of the TSSF community a contemplative and action-oriented experience rooted in local ecosystems. Through prayer, reflection, and shared storytelling, participants will deepen their connection to creation and reflect on meaningful ecological responses.

### AGENDA

- Opening Centering Prayer (20 mins)
- Lament (1 hour)
  - Participants will visit a local site representing ecological harm or degradation. Practices may include walking meditation, journaling, prayer, or photo journaling.
  - Optional: Submit photos to be shared in a group slideshow.
- Action & Contemplation (1 hour)
  - Participants will move to a site that symbolizes ecological hope or action. A guide of practical suggestions will support reflection and engagement.
  - Optional: Submit photos from this segment for community reflection.
- Reconciliation & Sharing (1 hour)
  - Return to Zoom for sacred storytelling. Each participant will be invited to briefly share their experience (approx. 3 minutes depending on registration size). Curators will share submitted photos as a visual prayer of collective witness.
- Closing Prayer (10 mins)

### MATERIALS PROVIDED

- Pilgrimage Passport: Printable guide with scripture, prayers, and poems for reflection
- Action & Contemplation Guide: Practical ideas for environmental engagement
- Photo Submission Link: For optional visual storytelling during the final gathering
