

THE 800TH ANNIVERSARY OF THE DEATH OF ST. FRANCIS

Celebrate the joy of St. Francis with us!

As part of this yearlong celebration and lead-up to the Transitus, TSSF Creation Justice Peace is offering 3 months of daily reflections focusing on Justice, Peace, and Creation. For each themed month, you will receive a booklet containing daily inspirations for contemplation and action. The themes are designed to both feed and challenge you by weaving our Principles into each reflection. We will also host one online Zoom meeting during each month, along with special events for the Season of Creation and culminating with an online Poetry Reading.

We hope this will enliven your Rule and bring you much Joy as we celebrate 800 years of St. Francis' vision!

SEASON OF CREATION

September 1 - October 4, 2025

Season of Creation is celebrated by Christians around the world as a time for renewing, repairing, and restoring our relationship to God, one another, and all of creation. The 2026 theme is Living Water. In celebrating the Season, we celebrate God as Creator, and we are invited to consider anew our ecological, economic, and political ways of living. TSSF Creation Justice Peace is offering events and resources during the Season.
